More Stewards needed for daily Masses

FOURTEENTH SUNDAY OF THE YEAR

Renewing the face of the Earth

A practical workshop for anyone interested in promoting care of Creation

Tuesday 6 July, 7pm - 8.30 p.m.

When it comes to action on climate change, every parish is part of the 'race to net-zero'. Would you like to help our parish, diocese and the wider Church in taking up the environmental challenges of our time? Caritas is seeking to develop a network of parish representatives to help promote care for the environment across the diocese.

Join this conversational workshop on Zoom to explore what being a parish eco-representative could mean, and opportunities coming up this Autumn to enable the parish to 'preach Good News to all Creation'.

Bookings must be made in advance: visit

bit.ly/renewtheearth. to register.

The Common Good and the Family - 13th July from 6.30pm - 8pm ~ Event 2

The focus of much of social and economic policy and rights-based rhetoric is the individual. However, we all grow up in and belong in families. That is so, even if families come in all shapes and sizes and are sometimes fragile and face immense challenges. But there is evidence that the focus on the individual can create conditions that weaken family life. It is the family in which we are formed, it is where we learn to share resources, reconcile collective goals with our unique individuality, grow up and then assist the older generation, returning the love and service we received as children. The family is the fundamental unit of socialisation and the foundation upon which the common good is built. Drawing on the first event and acting as a precursor to the two subsequent events in the series, the panel will consider what needs to happen in civil society and public policy to create the conditions in which the family can fulfil its critical role.
