The Local Committee would also be important as a point of contact for all members of the congregation and groups who may wish to raise matters with the new Parish Pastoral Council for the Parish of the Annunciation.

Homes for Ukraine Matching Service

Caritas Social Action Network, in partnership with St John of God Hospitaller Services, an international Catholic charity with many services for the vulnerable in the UK and Ireland, have launched a service to bring together Ukrainian people displaced by the brutal war in their country with people in the Catholic community willing to host them in their homes for six months. Once the match is confirmed the Ukrainian guest can apply for a visa. We know that coping with the cost of living crisis will be the main concern for many people this winter, but if you have room in your home and in your heart to consider welcoming a stranger displaced by war, then we would love to hear from you.

Please visit **https://sjog-homesforukraine.uk/** for more information.
