Marriage Week 7 – 14 February 2023 - The fundamental message of *Marriage Week* is that marriage is worth investing in, because all the research shows that stable families make for a happier society. It's also really important to keep working on a marriage. Couples who do so are more likely to stay together. All God's people are called to live a life of holiness through their vocation. Spouses, through the vocation to marriage, should follow their own path to holiness, which is sustained by the grace of the Sacrament.

During this week of the celebration of marriage we call to mind all those who have influenced us; our husbands and wives, mothers and fathers, grandparents and godparents and hold them in prayer, giving thanks for their lives.

is a free, five-session Lent Course looking at food, hospitality, poverty and the cost of living. It will be held on Thursday evenings, from 23rd February in Cathedral Hall, Nottingham, from 7.30– 9.00pm, and following the Lent Sunday readings the sessions will explore the reasons for food poverty and how we can address it locally and globally.

The course will be workshop-style with plenty of discussion. To book email to: cathedral@dioceseofnottingham.uk or by telephone to 0115 953 9839 ext 7.
